RE: Residential Electrical Vehicle Charging Station Incentive & Loan Program

Dear Member,

Enclosed please find an application for our Residential Electric Vehicle Charging Station Incentive and Loan program. Please complete the application and return it to a Benton REA office.

The following are requirements to be eligible for the incentive:

1. Be a Benton REA member who owns and receives electrical service at the dwelling in which the equipment will be installed.
2. Purchase and install a residential Level 2 (240-volt) smart charging station for your all-electric vehicle (hybrid vehicles do not qualify).
3. Set the charging delay to a time determined by Benton REA (such as 10 p.m.).
4. Allow Benton REA to perform final inspection.
5. Following final site inspection and approval of the paperwork, Benton REA shall process an incentive payment of \$300 to you, the member.

Program loans are available to cover purchase and installation costs of up to \$2,000. Loans are at an interest rate of 3%, amortized over a maximum of three years and are available for members who meet the incentive requirements listed above, plus the following requirements:

1. Have all accounts with Benton REA current and no more than one delinquent notice per account in the last 12 months.
2. If requesting funds in advance of purchase and installation, provide Benton REA with an estimate for the purchase and installation. Member has 60 days upon receiving advanced loan funds for installation and final site inspection to be completed.
3. If requesting funds after installation, provide Benton REA with a receipt for purchase and installation. Following final inspection, Benton REA shall process the loan funds to be paid to you, the member.
4. Loan funds will be secured by your electric service and delinquency of loan payments will subject your account to the Association's policy regarding delinquency of payment.
5. Proof of income (most recent payroll check stub) is required for all loan applications greater than \$1,000.00.

I will notify you as soon as your application is processed. Please call if you have questions.

Sincerely,

Ron Mitchell, Jr.
