Dear Member,

Benton REA has made it easier than ever to get paid your ownership credits!

By purchasing electricity from Benton REA, you are also a member-owner. Your ownership is reflected in ownership credits allocated to you based on the amount of electricity you purchase each year. When it makes financial sense, your Benton REA Board of Trustees approves the payment of ownership credits. Traditionally, anytime your ownership credit payment was \$10 or more, Benton REA mailed you a check. But now, you have options. These include:

1. Apply them to your primary active Benton REA electric account. This payment will appear as a credit on your Benton REA electric billing statement.
2. Donate them to Benton REA's Power to Care bill assistance program. Power to Care helps qualifying low-income members pay their past-due electric bills.
3. Donate them to the Benton REA Education Fund. The Education Fund provides scholarships to local graduating high school seniors as well as pays for the Youth Tour to Washington, D.C., electrical safety demonstrations and member education resources and classes.
4. Receive a check in the mail. You will receive a check when your ownership credit payment is \$10 or more. If your payment is less than \$10, it is held in your account until the total balance is at least \$10.

**To change how you will be paid your future ownership credits, complete the enclosed Ownership Credit Payment Authorization form and return it to a Benton REA office.**

At this time, we do not know how much your future ownership credit payments will be. Call 509-781-6724 if you have questions.
