RE: Electrical Vehicle Registration Program Incentive

Dear Member,

Enclosed please find an application for the Benton REA Electric Vehicle Registration Program. Please complete the application and return it to a Benton REA office or e-mail it to [rmitchell@bentonrea.org](mailto:rmitchell@bentonrea.org).

The following are requirements to be eligible for the incentive:

1. Must be a Benton REA member with an active electric account.
2. Must be the owner of the home or business where your electric vehicle is charged.
3. Purchase an Electric Vehicle (\$100 incentive if vehicle is purchased prior to Level 2 charger installation or a \$50 incentive if vehicle is purchase after Level 2 charger installation) or Plug-In Hybrid Vehicle (\$25 incentive). Please provide proof of purchase by providing a copy of your receipt.
4. Provide all required information on application.
5. Allow Benton REA to install an AMI (Advanced Meter Infrastructure) or equivalent automated meter on your home or business. This is not required if the incentive is for a Plug-In Hybrid.
6. Upon final approval of application, a check for the incentive amount will be paid to you.

I will notify you as soon as your application is processed. Please call if you have questions.

Sincerely,

Ron Mitchell, Jr.  
Electrical Advisor
